RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Non-GMO C-1000, a dietary supplement. Source Naturals® is the manufacturer of Non-GMO C-1000.

Statements being made in the labeling of Non-GMO C-1000:

1. Vitamin C plays a major role in the formation of collagen (a structural protein in connective tissue), amino acid metabolism and hormone synthesis, and the utilization of many nutrients, such as folic acid and iron.
2. It is also a key factor in the body's immune system.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
